In Memoriam

The Mascoutin is being dedicated this year to Miss Madeline Elizabeth Carey, teacher in the Washington Elementary School, who died July 11, 1959 in Berlin Memorial Hospital.

Miss Carey, born in Berlin, September 1, 1902, was one of ten children of the late James and Mary Ryan Carey.

Upon graduation from Berlin High School, she attended County Normal School and Oshkosh State Teachers College. She taught for nine years in Rhinelander and Marshfield, Wisconsin and the remainder of her thirty-three year teaching career, and her life, was spent in the lower elementary grades of Washington School.

Besides her teaching ability, Miss Carey was a favorite piano accompanist for many affairs, such as various programs at Washington School, Eastern Star, Brownie and Girl Scout award programs and Civic activities, to which she willingly gave her time and talents.

Other interests included being a very active member of St. Joseph's Altar Society and the American Legion Auxiliary.

It is with great respect and gratitude that we dedicate this yearbook to the memory of Miss Madeline Elizabeth Carey who dedicated her life to the children and people of this community.

"Editors"

As our student body increases, the need for a more varied curriculum becomes apparent. This need will be satisfied to a degree next year, as a course in journalism and speech will be offered.

This year Berlin High School played host to the district solo-ensemble meet and the district music festival. We were very proud to have these events held here. Thanks goes to the Music Mothers for their time and effort in making these events successful. We had two solos and three ensembles who were awarded firsts this year, enabling them to go to the state solo-ensemble meet.

Special recognition goes to: Sally Esther who was awarded Homemaker of the Year; Jeanie Walker who received a certificate of merit in the National Merit Qualifying Test; Gary Schroeder and Gary Kresal for passing the N.R.O.T.C. qualifying test.

For the first time in Berlin's history, the principal is serving on the special advisory board of the Wisconsin Interscholastic Athletic Association.

We hope that this book will be a part of your memory and in the future will help you to relive your high school years.

DIANE GRIFFITH AND JEANIE WALKER,

Co-editors

Hi Vaughn,
Was nice to have you in English class.
Best of luck in future years.

FACULTY and CLASSES

"Director"

The great emphasis that has been placed on science, mathematics and foreign language, in recent years, should not be interpreted to mean that the arts and social studies should be de-emphasized. The function of the school is to provide many experiences that will develop a well-balanced personality.

Our music program has much to offer in this respect. It can influence the emotional stability and social maturity of our young people and produce a very beneficial effect on the life of the community. Education must help each person to feel as well as to think. Any school which neglects its musical program is doing it at the expense of the children.

Good listening experiences are important but actual participation is much more valuable. It is the objective of the school to provide this participation for all with special opportunities for the most talented.

In recent years music has been given an important task in this world struggle for understanding and quest of peace. Music is truly a universal language. It may be impossible to measure its influence, but the power of our music can tell other peoples of our strength — but above all that we desire peace.

C. R. Wolf, Superintendent

"Conductor"

Students in Berlin High School are given the opportunity to enjoy training in the instrumental and vocal music fields. Sometimes this early stimulus leads students to take up music as a lifetime profession, but the vast majority of our students take music as an enrichment program. They use their background in after school years by singing in church choirs and playing in local musical organizations.

In our busy school day, music, like anything else should not be over-emphasized. We feel that enough daily time is set aside to satisfy the needs of our students.

Our music students are given the opportunity to participate in district and state competition. This stimulus encourages the students to improve themselves.

The kind of music appreciation taught in our school helps the student to enjoy fine music, thus the extreme fads in music do not flourish in our community.

Music is a part of our curriculum, it will improve along with improvements in other fields.

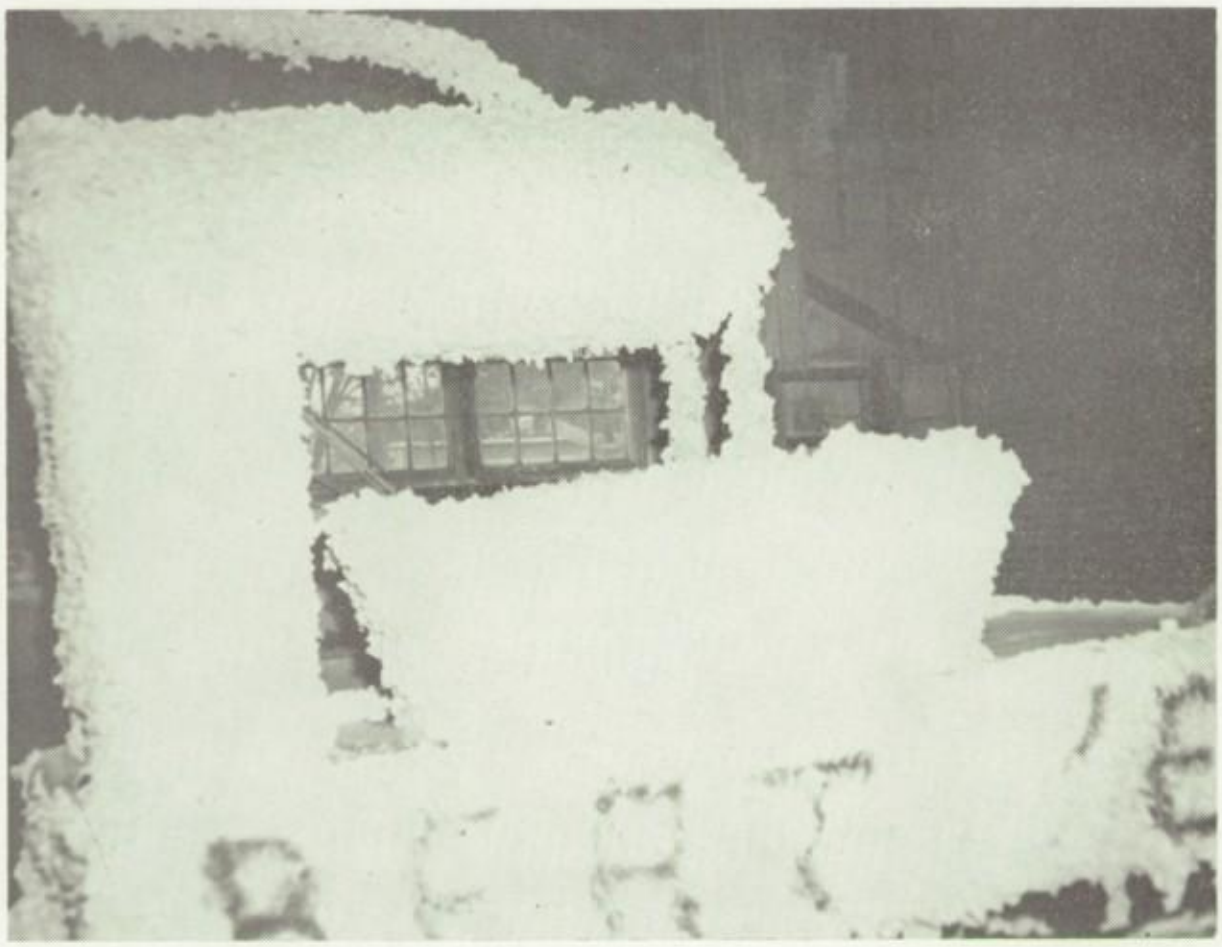
SOCIETY

HOMECOMING PARADE

Opening the gay festivities of the Homecoming weekend was the Homecoming parade on October 1. Following the colorful parade was the traditional bonfire, a pep rally with cheers and encouraging words, the crowning of Mr. and Miss Berlin, the passing of the tomahawk, and then a street dance sponsored by the Berlin Lions Club.



First Place: Freshmen — "We'll Beat 'Em"

Second Place: Seniors — "Victory Of Corpse"

Mr. and Miss Berlin:
Don Trampf and Janice Abel

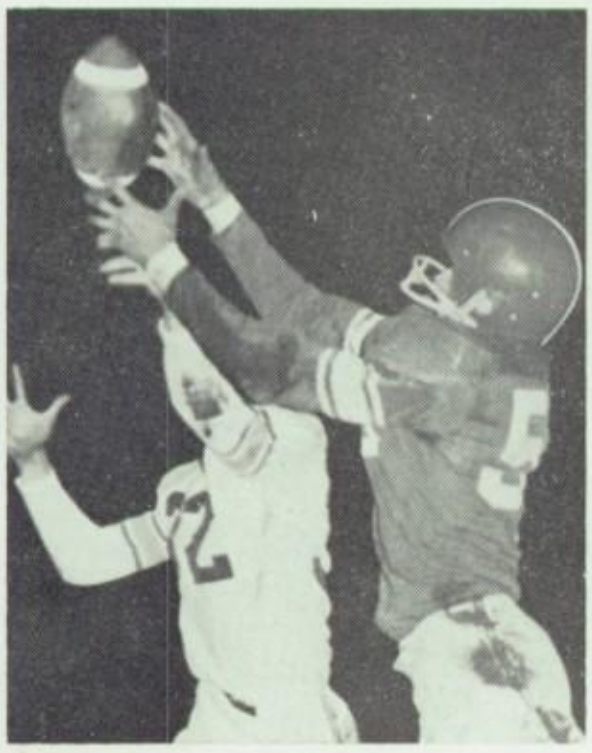
HOMECOMING DANCE AND GAME

The 1959 Homecoming activities were a total success. Not only was the big game against Columbus won with flying colors, but a terrific dance topped off the week of events.

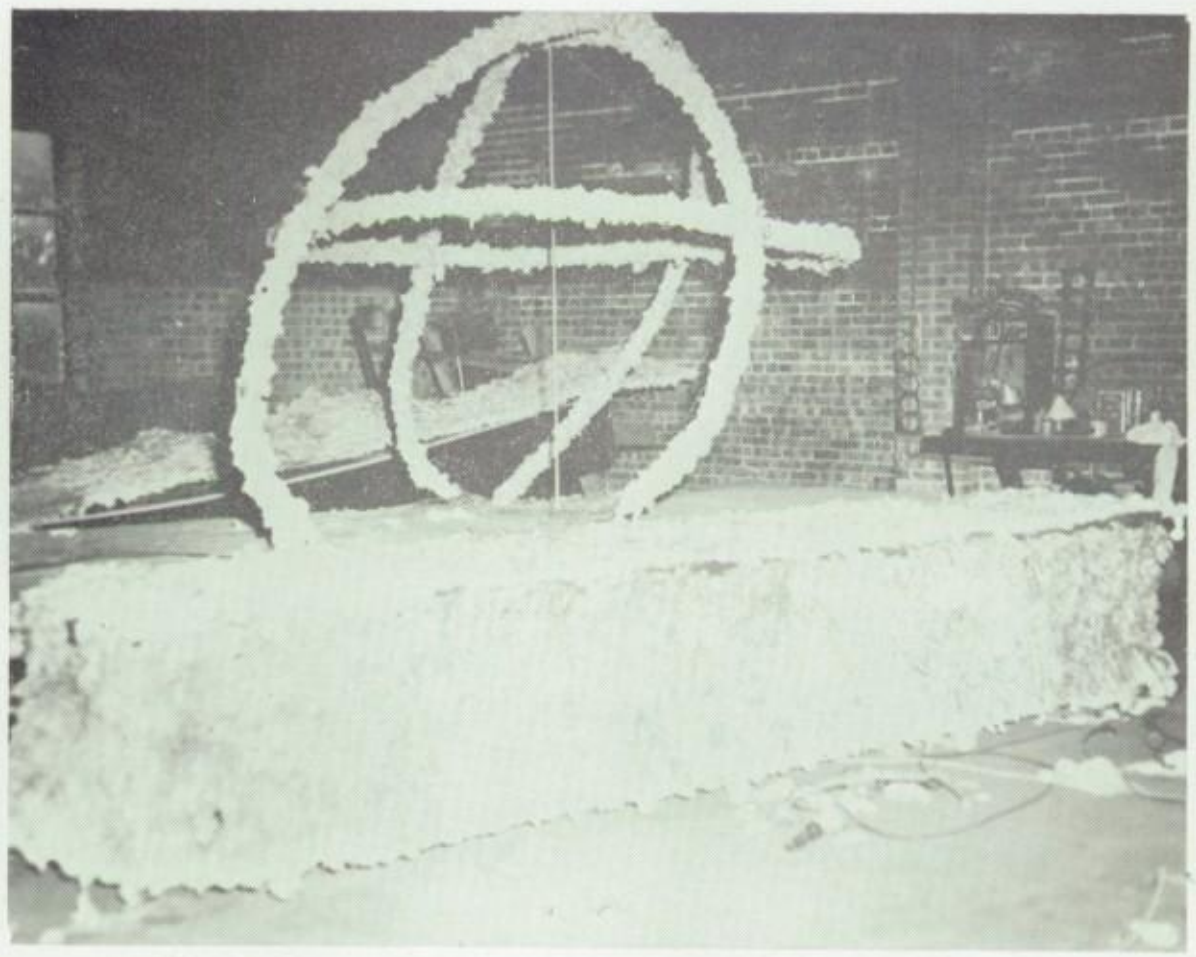
The final score was 44 to 6 and we were certainly proud of our fellows in green. The crowd cheered them to victory.

The theme of the homecoming dance was Autumn Leaves. The gym was decorated accordingly. The dance band was a noteful addition. All in all, it was a great Homecoming for B.H.S. students, teachers and parents at the 1959 Homecoming!

Third Place: Sophomores — "We'll Blow 'Em Off The Grid"



Yea, Indians!



Fourth Place: Juniors — "Atom And Smash 'Em"

Well Vaughn
We had fun
this year and I hope
we'll have just as much
next year.
Senior. Darrell

"Junior Prom"

Queen Karen Madison and King Darrell Voeltner

With "Blue Hawaii" as the theme of the 1960 Junior Prom, the dancers waltzed to the music of Ron Harvey and his orchestra. The gym was decorated beautifully with a light blue sky, paper roses and real palm trees. The stage was decorated to give the illusion of a romantic sunset on a Hawaiian beach. Afterward the prom-goers went to the Dawn Club to eat, and to dance to the music of the Whitecaps.

"COME OUT OF THE CLOSET"

This year's class play, entitled "Come Out of the Closet", was a three act mystery-comedy by Rollin W. Coyle. The main theme of the play revolved around three girls from Ohio. These girls, eager, excited and hoping to establish careers in New York, are compelled by circumstances on their first night in town to rent an old, gloomy, run-down apartment from a greedy landlady.

The oddest thing about this apartment is its locked closet — a closet without a key. Yet, somehow, there must be a key for shadowy figures are seen slipping silently out of the closet from time to time, carrying mysterious parcels which appear to be empty shoes boxes.

The secret of the closet is suddenly and excitingly revealed; the police arrive in time to handcuff the real culprits; and the three girls from Ohio reach a happy arrangement with their landlady.

"Snowflake Fantasy"

"SNOWFLAKE FANTASY"

A winter wonderland and a white Christmas — that was "Snowflake Fantasy", the Christmas dance. The night was December 11 and the place was the cafeteria transformed into a winter dreamland.

Under the blue, snowflake-scattered ceiling the dancers drifted to the stereophonic sounds of records spun out by Don Trampf.

Snowflakes, angels and dreamy music — that sums up the Christmas dance sponsored by the Red 'n Green. It was a fantasy of fun and frolic befitting the season of Christmas and Kris Kringle.

Hi Vaughn
I don't know you to good
but I think you are a nice guy
I wish you good luck.

Paul Walker.

Hi ya Vaughn,
Here's saying good luck to

STUDENT COUNCIL

"Hear ye! Hear ye! This meeting is called to order!" These familiar words ring out as another session with the Student Council gets under way. The Student Council spent its usual busy year, scheduling buses for out-of-town games, providing refreshments for the players after conference games, and, of course, popping popcorn. Dress-up Day was promoted by the Council and entertaining programs were also arranged. The Community Chest drive, also an activity of this club, was very successful this year.

SPEECH CLUB

The speech club is made up of members who wish to improve their poise in speaking in front of an audience. The members of this club compete in forensics each spring. Forensics includes these categories: declamations, orations, four minute speeches, extemporaneous readings, interpretive readings, play readings and extemporaneous speaking. First of all the students compete at the Little Ten meet. If they receive an "A" they continue on to the district contest. If an "A" is obtained there they go on to the state meet. By receiving an "A" rating at the district meet the club members may obtain their coveted forensic letters.

FUTURE BUSINESS LEADERS

Business is our pleasure, our only pleasure. We, the future business leaders of America, want to learn what actually goes on behind the scenes of business. We are given honor points for participation and attendance in the activities of the club. During the year we obtain money for our future activities by selling pencils with the basketball and football schedules printed on them and by selling "sweets" at the games. This year we also had a banquet. At the end of the year we visit a large prospering business firm so we can observe real down-to-earth business.

RED 'N GREEN

Extra — Extra! ! ! The many happenings of the High School set can be read about in our own Red 'n Green. This school paper gives the students a look-see at what's going on around the school. They are informed as to how the school stands sports-wise, and they are even informed on some of the latest gossip. The major events, such as the Prom and Homecoming, plus other events are always written up and emphasized in the Red 'n Green.

There are many people who have to put their heads together to put this paper out. Among these are: typists, stencilists, artists, reporters, and copy readers. They all work hard so that you, the student, can find out what's going on in your school through the Red 'n Green.

"Conserve! Conserve! Conserve!" say the boys of the Berlin High School Conservation Club.

By working with the conservation wardens and the State Conservation Department the club does much to promote conservation and the propagation of wild life. They place feeders for the pheasants during a deep snow and boxes in the trees of the low land to attract wood ducks and other wild fowl.

Each year a group attends the "Trees for Tomorrow" camp which is supported by service clubs in Berlin. Also, the club owns its own trap shoot and practices shooting. Safety is stressed.

This club is very helpful for boys who are planning to continue in this field.

"Friends, Romans and Countrymen, lend me your ears . . ." Yes, do lend me your ears, for I am here to introduce you to the Latin Club. The primary purpose of this club is to teach Latin students more about the culture of Rome and the Latin language. Movies and pictures of Rome are often enjoyed by the club members. A Latin Banquet is also given.

"When in Rome do as the Romans do."

FUTURE TEACHERS

In 1954 a group of students organized the C. D. Lamberton Future Teachers of America Club. The members learn the opportunities and disadvantages of teaching, and how to develop the good traits a teacher should have and how to stay away from the one's he shouldn't have. The club has already received its national charter.

FUTURE NURSES

"Nursey — Nursey," calls the patient. Nursey answers dutifully, "We'll take your temp or hold your hand."

The purpose of our club is to give girls a preview of nursing, exactly what it's like and its good and bad points. Affiliated with our organization are the Bluebirds. These are girls who work at the hospital and get nursing experience.

Our club meets on the first Tuesday of each month and usually has a guest speaker.

BERLIN HIGH SCHOOL JOURNAL

Read all about it! Where? Why in the local paper, The Berlin Journal, of course. There is a part in here designated for the High School Journal which informs the parents as to what goes on in high school, including an "About the School" and "Inquiring Reporter" feature.

The paper comes out weekly and the staff of the High School Journal works hard to contribute reading material.

SKI CLUB

"I learned to ski in one easy lesson but I broke my skiis while doing it," I heard one member of the Ski Club say. The Ski Club is an organization in Berlin High that is interested in the fastest growing sport in America. The members often take skiing jaunts to famous snow covered slopes in Wisconsin.

FUTURE HOMEMAKERS

Sugar and spice . . .

Future Homemakers of America is the national organization of girls studying homemaking in the high schools of the United States.

F.H.A. provides opportunities for students to have additional experiences in plannings and carrying out activities related to homemaking.

The national organization is composed of chartered state associations which are made up of local chapters.

Any student enrolled in a high school, public or private, who is taking or has taken a homemaking course in junior or senior high school may become a member. The constitution also provides for associate and honory memberships.

The over-all goal of the organizations is to help individuals improve personal, family and community living now and in the future.

Each year, members of local chapters develop a program of work, including projects and experiences, which will help them work toward the purposes of the club. The local program of work is based on personal, family and community needs. Program planning materials are published by the national organization and state associations to help local chapters develop their program of work.

The F.H.A.'s motto is "Toward New Horizons." The colors are red and white, and the flower is the red rose.

The basketball season this year proved to be a dismal one in the won - lost column as the team had only one victory. But what the team lacked in the win column they made up for it by their spirit. It's difficult for a losing team to have a very strong spirit, but our boys never let down. This is shown by what they did in their last game when they scored 63 points, their high of the season. Berlin was not expected to go far this year, due to a lack of experience and height. They did start their conference season in the right way though, scoring a win over Columbus.

With only two of this year's letter men leaving, next year's season should prove to be much improved.

Totals: Varsity: Won 3 — Lost 6 "B" Team: Won 5 — Lost 4

In his first year as head wrestling coach, Mr. Ray Stone developed some real talent. Although the varsity did not finish with a winning team the "B" team did and five future prospects of the team have been revealed. The season was not all disappointment though, as Harold Lloyd competed in the state. Harold will be back with the team next year as will the majority of the older boys.

In its first season under the new system of summer baseball Berlin did not fair so well. It did not come up with a single win, but with the loss of only one player this year the future should prove very interesting.

The Little Ten Conference decided to go back to its original program of spring baseball and the summer program was abolished.

Hi Vaughn
Nice having
you in your second class.
Hope to have you in
more next year. End of
luck this summer.
Kenny T. Sullivan

Hi Vaughn,
It sure was nice
having you in three
of my classes. Lots of
luck next year.
Dick Sweeper

Hi Vaughn
Have fun this
summer and good
luck next year.
Al Alvarez
Steve

Hi Vaughn
Lots of luck
in the future
Hope to see you in
school next year
Bob L.

Hi Vaughn
Been fun having you
in history. Your answered
most of the questions
anyway. Lucky Senior
Jerry Bellas

Hi Vaughn,
It was nice
having you in History.
Hope to have you in some night
year. Next time Jeff tells you to
get him a piece of paper, don't,
for Pete's sake get him one.
Au Revoir,
Marion

Hi Vaughn
Have fun this
summer. Hope
to have you in some
class next year.
Denny

Dear Vaughn.
Here's to a real sensible guy. Algebra and History weren't as terrible as was said.
Don't overwork this summer.
Truly,
Louis Nowakowski

Hi Vaughan.
I didn't get to know you very well this year. Maybe we will next year. Have fun.
Good Luck.
Ramona.

Hi Vaughn -
You are a nice kid. We had a lot of fun in Chemistry class. Further League, I wasn't a little lamb. Luck
Good luck next year!
Mary Nelson

Hi Vaughn
Chemistry was fun wasn't it
but I was a little hard. Luck
to a real nice guy
